Pesem gozda v vašem domu

Pjesma šume u vašoj kući

The song of forests in your home

Omare z drsnimi vrati sodobnega dizajna so namenjena za popoln izkoristek prostora v spalnici. Izdelujemo jih iz lesa bukve in smreke, z doplačilom pa tudi iz jelše in breze. Polnila vrat omare se lahko kombinirajo z varnostnim steklom v treh različnih niansah (zelen, rdeč, steklo Tara) ali z polnili visokega sijaja (barve Amelie).

Notranjost niše vam lahko opremimo s standardnim regalom omar in vsemi dodatki iz naše ponudbe.

Ornari s kliznim vratima sodobnega dizajna izrađuju se radi potpunog iskorištenja prostora u spavaćim sobama. Izrađujemo ih od bukovog ili smrekovog drva, uz doplatu i od drva joha i breze. Ispune u vratima ormara mogu se kombinirati sa sigurnosnim staklom u tri različite nijanse.

Prema vašim željama možemo izraditi i ugradna klizna vrata koja u cijelosti ispune stambenu nišu do 406 cm dužine i do 290 cm visine. Unutrašnjost niše možemo vam opremiti standardnim regalom ormara i svim dodacima iz naše ponude.

Wardrobes with sliding doors and modern design will allow you to utilise the space in your bedroom completely. They are made of beech or spruce wood and subject to additional payment, also of alder or birch. Wardrobe door fillings can be combined with safety glass in three different shades.

If you wish, we can also make built-in sliding door which will cover the residential niche up to 406 cm long and up to 290 cm high. The interior of the niche can be equipped with standard shelves and all the extras from our range of products.
